ThinkSwiss Research Scholarships open doors for students from India, Singapore and Australia to the world of Swiss research. Highly motivated students can apply for a research stay between two and three months at any Swiss University, including the Universities of Applied Sciences in any field, provided they secure an acceptance letter from a Swiss host professor. This programme accepts students who have completed their 2nd year of under graduation or are currently enrolled in a postgraduate/master's degree programme.

### For whom?

Masters students or undergraduate students who have completed 2nd year, currently enrolled in an Indian, Australian or Singaporean university or institute. Open to students from all fields, with an acceptance letter from a professor at a Swiss university for a research stay in his / her group. Students will be paid a stipend of CHF 60 per day.

### When?

Between April 1, 2024 and December 31, 2024 (2-3 months' duration, to be completed by calendar year ending)

### Where?

In a public-funded Swiss research university or public-funded Swiss research institution. Indian students may not apply to the University of Lausanne.
